Identification Number: C00304709

Reference: April Quarterly Report (1/1/98 - 3/31/98)

Dear Mr. Ragan,

This letter is in reference to the request for additional information which was dated June 19, 1998. Specifically the contributions made by Denny Miller during the period.

The contribution in question was specifically designated by the donor to be used for debt retirement (please see the attached document.) The treasurer at that time followed the procedure of filling out the paperwork to inform the FEC of the expected debt. Following the election contributions were accepted in accordance with FEC guidelines to help retire the debt, including the contribution from Mr. Miller.

I hope that the attached information helps to clear up any questions you may have. Please do not hesitate to contact me with any further questions.

Thank you for the opportunity to explain the situation.

Sincerely,

Heather Hayes
Treasurer
